

**DELIVER A PEOPLE'S ARREST WARRANT FOR OMAR AL-BASHIR**  
**VIGIL FOR DARFUR AT SUDAN EMBASSY**

OMAR AL-BASHIR CASTS HIS SHADOW ON THE BURIAL FOR VICTIMS OF THE KALMA CAMP MASSACRE, WHO WERE KILLED AUGUST 25, 2008.

**FRIDAY, NOVEMBER 7<sup>TH</sup> 2 PM – 7 PM**  
**2210 MASSACHUSETTS AVE., WASHINGTON DC 20008**

Sudanese and Americans unite to deliver a peoples arrest warrant for Omar Al-Bashir at a Vigil at the Sudan Embassy. We say “enough” to the attacks on Darfuri people in their villages, towns and in the camps, and to ineffective international peace efforts. It’s time to support the ICC arrest of Omar Al-Bashir for his regime’s crimes in Darfur that resulted in 300,000 deaths and nearly 3 million who lost their homes and have been living in camps since 2003.

**IT’S TIME TO DELIVER A PEOPLE’S ARREST WARRANT.**

President Bashir should not be given any more time as his UN diplomats claim he needs to ‘bring peace in Darfur’. He should be held accountable for all his crimes, and as one Darfuri woman at a refugee camp in Chad told a humanitarian relief worker: *“A delay will not be a chance for peace. It will be a chance for Bashir to kill more.”* The massacre in Kalma displaced persons camp in south Darfur is grim evidence of her prediction. Stop Bashir before he kills more.
